

Edible Playdough

Ages 4-6 | 🕒 25 Minutes

Instructions:

1. Add all ingredients besides food coloring in a bowl.
2. Mix together with hands until dough is smooth
3. Add food coloring and continue mixing using gloves so that your hands don't get dyed.
4. Ready to play!
5. Store in a ziploc bag or closed container, so it stays soft.

OVERVIEW

Playdough is fun to play with, and even more fun when you can eat it!
